Cookies in use on this site

Cookies and how they benefit you

Our website uses cookies, as almost all websites do, to help provide you with the best experience we can. Cookies are small text files that are placed on your computer or mobile phone when you browse websites

Our cookies help us:

- Make our website work as you'd expect
- Remember your settings during and between visits
- Improve the speed/security of the site
- Allow you to share pages with social networks like Facebook
- Continuously improve our website for you
- Make our marketing more efficient

We do not use cookies to:

- Collect any personally identifiable information (without your express permission)
- Collect any sensitive information (without your express permission)
- Pass data to advertising networks
- Pass personally identifiable data to third parties
- Pay sales commissions

You can learn more about all the cookies we use below

Granting us permission to use cookies

If the settings on your software that you are using to view this website (your browser) are adjusted to accept cookies we take this, and your continued use of our website, to mean that you are fine with this. Should you wish to remove or not use cookies from our site you can learn how to do this below, however doing so will likely mean that our site will not work as you would expect.

More about our Cookies

Website Function Cookies

Our own cookies

We use cookies to make our website work including:

- Remembering your search settings

There is no way to prevent these cookies being set other than to not use our site.

Third party functions

Our site, like most websites, includes functionality provided by third parties. A common example is an embedded YouTube video. Our site includes the following which use cookies:

- Non currently set

Disabling these cookies will likely break the functions offered by these third parties

Visitor Statistics Cookies

We use cookies to compile visitor statistics such as how many people have visited our website, what type of technology they are using (e.g. Mac or Windows which helps to identify when our site isn't working as it should for particular technologies), how long they spend on the site, what page they look at etc. This helps us to continuously improve our website. These so called "analytics" programs also tell us if how people reached this site (e.g. from a search engine) and whether they have been here before helping us to put more money into developing our services for you instead of marketing spend.

We use:

- Google Analytics

Managing Cookies

Most browsers allow you to refuse to accept cookies and to delete cookies. The methods for doing so vary from browser to browser, and from version to version. You can however obtain up-to-date information about blocking and deleting cookies via these links:
